

From 1. December 2008, Birkart Globistics DOOEL successfully has been re-branded to Logwin Solutions Macedonia DOOEL

Dears,

Our parent company changed its name to Logwin AG in April of this year and since then we have been part of the Logwin Group. From now on, we and all the other companies of the former Thiel Group will be using the same brand name:

Starting from 1. December 2008, the brand will also become visible in our cooperation with you, because this is the date, when we have changed our name: **Birkart Globistics DOOEL** becomes **Logwin Solutions Macedonia DOOEL**.

The new brand demonstrates our position as logistics partner and is a clear signal of our new start as an integrated logistics services provider. But above all, Logwin is a value proposition to you: **We want you to be successful with us as your logistics partner.**

We would kindly like to ask you to change the company name in your master data correspondingly and starting from 01.12.2008 please use the following address for business correspondence:
